### Summary of Discussion and Commitments/Agreements

#### 1. Approval of Past UMM Minutes (Ecology/RL/EPA/WHC):

The April 15, 1993, Unit Managers' Meeting Minutes were reviewed and signed by the Unit Managers.

#### 2. Status Action Items:

-No open action items

#### 3. Status Closure Activities:

-Status NOD Comments

WHC (D. M. Korematsu-Olund) requested clarification of Notice of Deficiency (NOD) comment numbers 30, 63, 64, 65, 66, and 67. These NOD's were missing from Ecology's NOD comments. Ecology (J. J. Wallace) stated that the missing NOD comments were removed and the remaining comments were not renumbered correctly. It was an editorial mistake, and therefore there were no comments assigned to those numbers in the submittal to RL. RL (R. N. Krekel) stated that a letter transmitting the NOD Responses Table would note these missing comments. WHC (F. A. Ruck) indicated that the NOD's would also be renumbered in the NOD response table. It would not be necessary for Ecology to submit any formal clarification.

-Status Extension Request

RL (R. N. Krekel) stated that a letter requesting an extension for the submittal of the 200 Area Ash Pit and 218 E-8 Borrow Pit Closure Plans NOD response tables was currently undergoing concurrence at RL and that he anticipated its transmittal to Ecology at the end of this week (May 14, 1993).

#### 4. New business:

-Discussion of NOD Comments

WHC (W. A. Skelly) requested clarification of NOD comment number 85 that stated, "A general comment about the appendix is that it is inadequate." Ecology was asked to specify which Appendix was the subject of the comment. Ecology (J. J. Wallace) stated that it was a general comment about all the appendices.

#### 5. Set new meeting date:

The next Unit Managers Meeting was scheduled for 1:00 p.m., June 10, 1993, in Richland Washington.
